

Amendments to the Drawings

Fig. 7 is amended to change "Creates" to "Create" in Block 715.

The amendment to **Fig. 10A** replaces "Machine" with "Group" in Blocks 1030, 1035, and 1040. This change corresponds to the change made herein to p. 41, line 5 of the specification, and brings the text and **Fig. 10A** into alignment with the text on p. 32, lines 12 - 15, where it is stated that component objects, also referred to as instances of ProductModel, are stored in a Group object. (The text on p. 41, line 5 refers to obtaining component objects, and they are stored in a Group object, not in a Machine object.)
